OBJECTIVE

Obtain a position that will enable me to continue successful professional development as a working manager and team player, and utilize my demonstrated abilities to work individually or in either conventional or cross-functional team environments. My interests include but are not limited to Logistics and Supply Chain, Operations, Transportation (rail and motor) and Information Technology (IT).

WORK EXPERIENCE

Pacer International – Dublin, OH

December 1997-November 2009

Manager, Business Process, August 2009 – November 2009

- ◆ Member of team responsible for reviewing and rewriting business processes for company's key operational business units
- ◆ Responsible for assisting business units with the development of work instructions from existing business processes
- ◆ Key member of cross-functional team that developed a central platform company-wide file sharing and knowledge base

Bridge Team, October 2007 – August 2009

- ◆ Represented Pacer in a company-wide \$40 million SAP implementation encompassing seven business units and over 1,600 employees:
 - Responsible for coordinating and conducting meetings with the business and SAP to capture and define business requirements
 - Developed business process flows, descriptive materials and functional specification documents for SAP System Engineers and Programmers
 - Project specifically focused on Pacer's over-the-road and Supply Chain business units

Manager, Development Team (ran concurrent with Bridge Team)

- ◆ Member of team overseeing Selling, General & Administrative (SG&A) expenses
- ◆ Established company-wide express mail and office supply procurement program which collectively resulted in a savings of over \$600,000 on a \$2.1 million overall spend
- ◆ Led multiple "green" projects aimed at reducing electricity consumption in the Dublin office

Manager, Supply Chain Services, July 2001 – October 2009

- ◆ Key account manager for day-to-day Transportation Management Systems (TMS) operation of a global top-tier OEM and replacement market tire supplier. Account volume at peak was approximately 77,000 tendered loads/year
- ◆ Managed account's carrier performance metrics, developed and implemented plans of action for carriers below acceptable service levels, and recommended replacement for failing carriers
- ◆ Responsible for the selection and hiring for a team which peaked at 14 employees

Logistics Specialist, Rail Van, Inc. (acquired by Pacer in 2000), December 1997-July 2001

- ◆ Responsible for dispatch and customer service of all outbound freight for two plant warehouses and three distribution warehouses of a major national food manufacturer
- ◆ Established informal relationships with carriers to better facilitate control of highly volatile requirements for truckload movements

Upper Arlington Public Library, Upper Arlington, OH March 1994-December 1997

Note: The most recent 19 months (Associate) was concurrent with my last 15 months attending Ohio State. The bulk of both were full time.

Library Associate, Computer Services Department, June 1996 to December 1997

- ◆ Assisted patrons with using a wide variety of software applications
- ◆ Performed maintenance on several types of computer systems
- ◆ Helped organize the hardware/software database for the entire library system
- ◆ Was offered full time position before leaving to pursue a career in my degreed field

Library Assistant, Audio/Visual Department, September 1994 to June 1996

- ◆ Assisted patrons with use of the online card catalog to locate materials
- ◆ Repaired damaged audio/visual materials

Library Page, Circulation Department, March 1994 to September 1994

- ◆ Responsible for shelving audio/visual materials

EDUCATION

The Ohio State University, Columbus, OH

Fisher College of Business

Bachelor of Science Business Administration (BSBA) August 1997

Major: Transportation & Logistics Minor: Spanish

Self-financed 100% of college expenses

INTERESTS AND ACTIVITIES

- ◆ Webmaster of the Ohio Theatre Robert-Morton Pipe Organ web site
- ◆ Amateur Radio (ham) Operator N8RRB
- ◆ Central Ohio Radio Club, Inc., Director and Secretary
- ◆ Central Ohio Amateur Radio Emergency Services, volunteer
- ◆ Clean Up and Recycling Backers, Inc. (CURB), volunteer
- ◆ Scoreboard Operator for basketball – St. Charles Preparatory School, Columbus, OH
- ◆ Active member of St. Brendan the Navigator Catholic Church, Hilliard, OH
- ◆ Bowling, jogging, gardening, photography
