

The Bernard J. LaLonde Transportation and Logistics Scholarship

Bernard J. LaLonde

Dr. LaLonde is Professor Emeritus at The Ohio State University. He remains active in the Logistics and Supply Chain Management as a researcher, author, speaker and consultant. He has received the Eccles Medal from Society of Logistics Engineers and the Distinguished Service Award from the Council of Supply Chain Professionals. Dr. LaLonde was also co-director of the Supply Chain Management Research Group and founding editor of the Journal of Business Logistics. He is a frequent contributor to professional journals and trade press on the subjects of logistics, customer service and supply chain management

Investing in the Future

The Columbus Roundtable of CSCMP is proud to sponsor this scholarship honoring Dr. LaLonde for his many outstanding contributions in the field of logistics. Income from the fund will help carry on the efforts the Columbus Roundtable and the Fisher College of Business' undergraduate Logistics program in attracting talented young minds to Logistics and Supply Chain Management.

Scholarship Facts

- 100% donations are earmarked for the scholarship
- 100% inflation adjusted earnings go to the scholarship
- 100% of earnings dispersed in full quarters.

The scholarship covers tuition at the in-state rate, academic fees, and required books for one to three quarters. Up to \$11,400 can be awarded per recipient.

The number of awards available are directly related to the interest earned from the endowment. Awards have ranged from as high as 11 quarters to as little as 3 last year.

We ask you to share with us in supporting the Bernard J. LaLonde Transportation and Logistics Scholarship. Your gift, regardless of size, will be deeply appreciated.

About the Program

The Ohio State University was one of the first universities in the world to offer a degree in Logistics Management. Since then, the Fisher College of Business at The Ohio State University has been committed to delivering a globally recognized and respected program in this field. OSU is currently ranked 5th by U.S. News & World Report, 2010.
