

**TITLE:** General Managers

**COMPANY:** ContainerPort Group

**LOCATION:** Northeast, Mid-Atlantic, Midwest

CPG is growing and expanding in the Northeast, Mid-Atlantic and Midwest Regions.

We're looking to add knowledgeable, results oriented power-hitters for several critical positions to help us grow in size and scope.

General Managers: Responsible for developing new business as well as managing and growing our current transportation and intermodal services through excellent communication and teamwork among Customer Service, Fleet and overall Operations Management and Development.

Immediate openings in our Buffalo, Philadelphia and St. Louis locations.

All positions require a minimum of five years experience in the transportation and intermodal industry; in-depth knowledge of owner-operator based fleets, a Bachelor's degree in Business, Logistics or related field is desirable.

Exemplary management, communication and relationship building skills as well as expertise in Excel, Word, PowerPoint and Outlook are a must.

We're the best because we hire the best.

All interested power-hitters are invited to forward your resume and cover letter to:
