

**AWARD WINNING MIDWEST MOTOR CARRIER SEEKING EQUALLY
DISTINGUISHED INDIVIDUAL TO OVERHAUL AND LEAD OUR
CUSTOMER SERVICE AND SALES GROUP**

CARRIER/POSITION INFORMATION: The carrier is well known for its customer service and the very high quality of the organization and its people. We are looking for the individual that possesses equal credentials and qualities.

Located in the Midwest, the carrier is an asset based, primarily truckload carrier operating approximately 100 power units, predominantly company owned. This carrier has a large investment in new equipment, GPS, computerized dispatching, full in-house maintenance, excellent safety history and consistent top quality services to the industry.

The carrier also has a full functioning companion freight broker operation, which is a stand alone business providing complimentary services.

The goal is to bring in a person with genuine leadership and sales experience, to combine the current separate functions of customer service and sales, both in the motor carrier (LTL and TL) and the freight brokerage businesses. The carrier believes that the talents and work necessary to maintain current shippers and service levels is identical to that needed to attract new business.

This new position will report directly to top management and will be responsible for a staff of 5-8 people. This person will also have ability to modify the current customer service and sales staffs.

It is anticipated that overnight travel would be limited to 10%.

The company is prepared to hire now.

You will be working with an excellent team. You will have the ability to receive an excellent salary and bonus based upon results.
