

Trillium Staffing, in partnership with industry leading national manufacturing company is seeking a 3rd shift Supervisor for Direct Hire opportunity!

This position will be responsible for managing people, production and logistics on a 3rd shift. Schedule will be Tuesday-Saturday with some overtime on (10%) on Sunday.

Supervisor will plan, assign and direct work, monitor production flow, shipping, make priority adjustments, monitor safety, train and discipline staff, develop personnel and conduct performance appraisals. Supervisor will monitor quality in manufacturing and ensure all shipments are correct and meet tight ship deadlines. This position will directly supervisor 15-20 full time employees.

This position requires a strong background in leadership/supervision in a manufacturing or distribution environment. Experience within a fast-paced, high volume, high change center is required. Any printing experience is a plus but not required. Good computer skills (MS Office) required and any experience with payroll systems a plus.

Salary range will be 40-50k with a strong benefits plan.

Please send resume for IMMEDIATE consideration!
