*Results-Oriented – Strong Communicator – Analytical Thinker
Inquisitive Learner – Passion for Process Efficiencies*

EDUCATION

The Ohio State University, Fisher College of Business

- Bachelor of Science, Logistics & Supply Chain Management, GPA: 3.19

CAMPUS LEADERSHIP

Alpha Tau Omega Fraternity, Beta Omega Chapter

2016-present

Philanthropy Chairman, Executive Board; 2017-18

- ❖ Arranged and reorganized over a dozen service orientated events and fundraisers in the past two terms that encourages on-campus & off-campus involvement as well as positive public standing
- ❖ Contributed to the acquisition of a new 70+ person house, maintained a balanced budget throughout the semester-long process

Best Buddies International

2015-present

Volunteer; 2015-present

- ❖ Built friendships & encouraged leadership development for people with intellectual & development disabilities
- ❖ Spend a day a month one-on-one with the same buddy I've been matched with for the past three years

Alpha Tau Omega's Casino Night

2016-present

Fundraising Committee, 2017-present

- ❖ An annual event that has raised over \$115,000 for Urban and Shelley Meyer's Foundation for cancer research & prevention the past two years
- ❖ All money is raised through various fundraisers, donations & sponsorships

WORK EXPERIENCE

Event Coordinator, Intern, ASA Logistics; Columbus, OH

May-Sept. 2018

- ❖ Worked under the CEO, planned & coordinated two noteworthy events in the Hyatt Regency grand ballroom in downtown Columbus that included a networking seminar with two distinguished guest speakers and an appreciation awards dinner with over 300 guests
- ❖ Liaised between top-level management within the firm and top-level executives of potential clients and partners

Mover, Team Member, United Freight-lines; Columbus, OH

2015-2017

- ❖ Learned the importance of team strategies in order to tackle projects that could last longer than an average workday
- ❖ Led entry-level workers, relied largely on work-ethic & communication in a field that not many people want to work in
- ❖ Hands on experience packing and sorting in a 5,000+ square-foot warehouse

Security, Fourth Street Bar & Grill; Columbus, OH

2017-2018

- ❖ A part-time job throughout the school year taught me the importance of schedule management as I'd work late nights on weekdays
- ❖ Level-headedness allowed me to thrive in a tense environment, dealing with aggravated customers
