WORK EXPERIENCE

National Motor Freight Traffic Association, Inc.
Research Analyst Intern
Alexandria, VA
Summer 2018

- Researched items shipped in the Less-Than-Truckload industry and tracked the history of their classifications
- Produced Excel spreadsheets from raw data on freight and manufacturers to aid in product classification
- Conducted dock surveys in multiple cities to research items of interest
- Analyzed the NMFTA's internal commodity database to identify misclassified products

Country Roads Day Camp
Group Leader
Manalapan, NJ
Summer 2015 – Summer 2017

- Supervised a group of 20 children on a daily basis
- Planned and organized daily activities for campers
- Attended weekly offsite events which required more attention to detail and organization to keep the campers safe and satisfied
- Oversaw campers' safety while operating the Rock Wall course and American Ninja Warrior obstacle course

Modell's Sporting Goods
Sales Associate
Manalapan, NJ
September 2014 – May 2015

- Interacted with 100+ customers to provide ease while shopping and a satisfactory experience
- Secured and maintained inventory control to mitigate shrinkage
- Participated in store meetings and worked as a team to achieve overall success of the store

EXTRACURRICULAR ACTIVITIES

Supply Chain Management Society
Vice President of Internal Affairs
College Park, MD
January 2017 – December 2017

- Increase student involvement through weekly newsletters, student events, and communicating with professors
- Liaise between Smith's Supply Chain Management department and companies in the supply chain field by hosting information sessions and educational events

APICS, the Association for Supply Chain Management; Student Member
2017 – Present

Humanity First UMD
General Body Member
College Park, MD
September 2016 – Present

- Partake in food drives to create better access to food in the community
- Contribute to Missing Maps Program by updating maps in third world countries to help government agencies and charities find specific locations with ease

SKILLS AND SOFTWARE APPLICATIONS

- Llamasoft Guru training and SAP experience
- Lean Six Sigma Yellow Belt certified
